The lottery will take place on: January 15, 2025

Hamilton 60-Minute Lottery Eligibility

To be eligible for inclusion in the 2025 Hamilton Fringe Festival lottery for the Hamilton 60-Minute category, the following criteria must be met:

- **Primary Contact must reside within the City of Hamilton**

For the purposes of this agreement, the City of Hamilton includes the communities of Hamilton, Ancaster, Dundas, Glanbrook, Flamborough, and Stoney Creek. See here for current municipal boundaries:
<https://map.hamilton.ca/>

Applications that do not meet the above criteria will be removed from consideration and will forfeit the \$30 application fee. Please contact Executive Director Christopher Stanton at christopher@hftco.ca BEFORE submitting your application if you have any questions regarding your company's eligibility.

Black/Indigenous/Person of the Global Majority (BIPGM) Reserved Lottery Eligibility

Hamilton Festival Theatre Company and Hamilton Fringe Festival recognize that festival stages in Canada and the United States have historically been dominated by artists of European/colonial descent, and we seek to support a broader cultural representation of our community in Fringe Festival spaces.

As a response to cultural inequity across our stages, and to better reflect the cultural makeup of our region, **25% of lottery slots in each 2025 performance category shall be reserved for BIPGM-led companies** (Indigenous artists, Black artists, and other artists of the Global Majority).

To be eligible for these reserved slots within the Hamilton 60-Minute lottery category, the following criteria must be met:

- **Primary Contact must identify as Black, Indigenous, and/or a Person of Colour.**
- **Primary Contact must reside within the City of Hamilton**

Please ensure that your application correctly identifies your eligibility for these

reserved slots!

Applications that do not meet the above criteria will be removed from consideration and will forfeit the \$30 application fee. Please contact Executive Director Christopher Stanton at christopher@hftco.ca BEFORE submitting your application if you have any questions regarding your company's eligibility for the BIPGM Reserved Lottery Eligibility lottery.

The lottery will take place in stages:

1. Once all BIPGM Reserved slots are filled through the lottery draw—or no more eligible companies remain to be drawn (whichever comes first)—undrawn companies will be automatically entered into the Hamilton 60-Minute lottery.
2. Once the category in Stage 1 above is filled through the lottery draw, undrawn companies will be automatically entered into the Ontario 60-Minute lottery.
3. Once the category in Stage 2 above is filled through the lottery draw, up to 8 applicants from each category will be placed on a waiting list. Should any company withdraw from the festival, the next eligible company on the waiting list will be contacted to fill the space.

Responsibilities & Limitations for Primary & Secondary Contacts

- We will accept only ONE application per person/company name. Companies are not permitted to change their name after submitting their application.
- Primary and Secondary Contacts may be involved in only ONE production. If a Primary or Secondary Contact is listed in either role for multiple companies, all affected lottery applications may be considered forfeit and removed.
- **The Primary Contact CANNOT also be the Secondary Contact—your application must indicate two different people in these roles.**
- Fringe correspondence will only be sent to the Primary Contact. It is the Primary Contact's responsibility to pass information along to their team.
- Primary Contact must have authority to sign on behalf of the company.
- Only the Primary Contact is authorized to submit or make changes to company information.

As Primary Contact, it is your responsibility to:

- Share information with the rest of your company.
- Stay up to date on all Fringe Festival information.
- Ensure timely submission of all requested materials.
- Acquire all applicable permits and the payment of all applicable taxes and fees relating to your production at the Hamilton Fringe Festival.

It is the Primary Contact's responsibility to ensure emails from Hamilton Fringe Festival are not caught in your email provider's spam filters.

The Secondary Contact is required in case the Primary Contact cannot be reached or is not responding to time-sensitive information. The Secondary Contact must be prepared to take on reaching out to the Primary Contact and ensuring communications with the Hamilton Fringe Festival are being received and responded to. Please ensure your Secondary Contact has regular access to email and will be available for the duration of your time with the Festival.

Companies accepted into the Hamilton Fringe Festival cannot sell or transfer their spot to another company. If a company is found to have done this, both companies will be removed from the festival and the full application fee will be forfeit. Companies are not permitted to change their company name after submitting to the Festival.

Participating companies agree to return ALL FORMS AND QUESTIONNAIRES ON TIME (ex: Publicity Questionnaire Form; Technical Questionnaire, Media Consent Form, etc.) or risk being inaccurately represented in Festival promotional materials, Box Office listings, or being in a venue that is not suited to the needs of the production.

Force Majeur: *If performances are delayed or interrupted by an act of God, fire, flood, war, public disaster, strikes or labour difficulties, governmental enactment, regulation or order, or any other cause beyond the control of the Hamilton Fringe Festival, the Festival shall not be liable for any lost revenues or performance times.*

Production Rights & Permission for Use of Materials Protected by Copyright

The Hamilton Fringe will not knowingly allow the production of a show without the permission of its creator(s). You are obliged to obtain written permission from

the playwright/author/creator and pay any fees required for the production rights. Additionally, you are required to obtain written permission from the necessary sources for the use of any material protected by copyright that is used in the production or promotion of your show (ex: photographs, music, etc.)

As well, you are expected to obtain the necessary releases or pay appropriate fees to any professional associations to which you and/or your company members belong.

Failure to do so could result in disqualification without refund or written notice. Cancellation of your show due to lack of permission(s) or rights to your show or any materials used in the production or promotion of your show will result in forfeiture of your entire application fee.

Schedule and Show Length

Performances in this category may run to a **STRICT MAXIMUM of 60 minutes**. Performances running longer than this will be immediately stopped by the Venue Technician, and patrons will be asked to leave the venue.

There is no minimum show length. (Keep in mind, however, that audiences may perceive a lack of value-for-money if the show is “too short!”)

You will be required to indicate your show’s run time in your Technical Questionnaire (to be provided at a later date). Once submitted, you may not adjust your run time.

Your show should be production-ready with simple technical and production requirements. The Hamilton Fringe Festival will schedule your company for seven (7) performances. The schedule as set by the festival is non-negotiable, and your company is required to abide by said schedule.

While other performers and crew may choose to be involved in more than one production, they will be responsible for ensuring that no scheduling conflicts prevent or interfere with any of your performances.

The Fringe will not adjust any scheduling to accommodate company members involved in the performance of more than one production in the festival.

You should plan to commit to the full run of the Fringe from July 16-27, 2025.

You will have a 3-hour tech rehearsal scheduled sometime between July 12-16, 2025.

ALL companies will have a variety of performance start times between 4:30pm and 11pm weekdays and between 12 noon and 12 midnight on weekends.

Our opening night event (Opening Night Kick-Off) will be held Wednesday July 16, 2025. The Kick-Off is your chance to promote your production with a (very short!) live pitch. We encourage all companies to participate. You will receive more details at a later date.

Venues

Each of our venues is unique in staging and seating capacity, with a guaranteed minimum capacity of 50 seats. Participants are encouraged not to budget for more than this capacity in determining their production expenses. If public health regulations in place at the time of the festival dictate that we reduce audience capacity in our indoor venues, your participation fee will be refunded on a pro-rata basis for each seat fewer than 50. You will be provided with site specifications and other details of your venue at a later date.

The festival reserves the right to move performing companies into a different venue without prior notice if deemed necessary.

Each venue will have basic lighting and sound. There will be an experienced technician for each venue and you will have a 3-hour technical rehearsal time. Depending on the venue, a member of your company (ex. your Stage Manager) may be required to operate sound cues.

Companies must provide all crew necessary to load in and load out their production.

Performance Set-Up & Strike

Each company is allowed 15 minutes for set up and 10 minutes for strike. Additional time may be allocated between shows to allow for expanded cleaning protocols if necessary. The audience is seated 5 to 15 minutes prior to show time, at the discretion of the house technician.

Venue seating is fixed and cannot be adjusted.

Companies must provide all crew necessary to set up before each performance and to strike after each performance within the allotted time.

Tickets and Revenue

Participating companies/artists receive 100% of their net box office receipts. Hamilton Fringe Festival will provide house management, ticketing, and box office services.

Artists performing in the Hamilton Fringe Festival are independent contractors. You are entitled to receive 100% of the ticket price set by the Hamilton Fringe Festival and are responsible for remitting any HST or applicable taxes on that revenue.

The ticket price is set at \$14. Companies may opt to offer \$5 tickets for children 12 and under.

We have a variety of multi-show passes for sale. There are a limited number of these passes and they encourage patrons to see more shows. You will receive the following amounts for each use of a multi-show pass for admittance to your show:

- \$12 for each ticket used from a 3-show Fringe Sampler Pass
- \$11 for each ticket used from a 6-show Fringe Binge Pass
- \$10 for each ticket used from a 10-show Fringe Frenzy Pass

You will receive \$5 for each ticket used from a 6-show Artist Pass. These passes will only be made available to Hamilton Fringe Festival participants.

Please note that single ticket prices as well as multishow pass types and prices may be subject to change. Artists will be notified of any such changes via email to the Primary Contact.

Details of the box-office payout process will be sent by email to the Primary Contact no less than two weeks prior to the festival.

PLEASE NOTE: The Hamilton Fringe Festival requires all patrons to purchase a Fringe Benefits Button (a one-time \$5 cost) in order to see shows. This policy applies to everyone, even your special guests and comp list attendees. Each artist participating in the festival is given a Fringe Benefits Button free-of-charge.

Accommodations

It is your responsibility to arrange accommodations while participating in the Hamilton Fringe Festival. If requested by the company, best efforts will be made to connect non-local companies with billeted local accommodations. Priority will be given to artists having traveled the farthest distance to attend the festival. Billets may require artists to provide proof of COVID-19 vaccination.

Participation Fee Refund Policy

The Primary Contact is the only individual who may withdraw from the Fringe. Any intent to withdraw must be made in writing by mail or email and is effective from the date the Fringe receives the written notice. Via email, please send to Christopher Stanton at christopher@hftco.ca.

Between **JANUARY 15, 2025** and **MARCH 7, 2025** (inclusive), participants who withdraw shall forfeit 50% of their paid Participation Fee.

On **MARCH 8, 2025** or anytime thereafter, participants who withdraw shall forfeit their entire Participation Fee (100%).

What happens if you need to cancel a performance?

As mentioned above, Hamilton Fringe will schedule your company for seven (7) performances. The schedule as set by the festival is non-negotiable, and your company is required to abide by said schedule.

There are certain circumstances, however, in which you may need to cancel a performance. If you must cancel one of your scheduled performances, you must notify Christopher Stanton at christopher@hftco.ca in writing at the earliest possible time.

Hamilton Fringe cannot refund companies for performances cancelled by the company for any reason.

Any and all tickets purchased for the cancelled performance will be refunded.

Hamilton Fringe may charge a cancellation administration fee of \$50.

Please note that once a given performance has been cancelled, it cannot be “uncancelled.” Cancelled performances will not be rescheduled.

COVID-19 Protocols & Pandemic-related Cancellation Refunds

The Hamilton Fringe Festival prioritizes the health, safety, and accessibility of our artists, audiences, staff, volunteers, and community partners. As such, our plans for the 2025 Hamilton Fringe Festival have taken all public health guidelines and government guidance into consideration. Our current preparations for the festival period reflect the best information we have going into the summer 2025 period, and are based on ongoing consultation with the Canadian Association of Fringe Festivals (CAFF).

Hamilton Fringe Festival live performances in all categories will adhere to all public health guidelines in place at the time of performance. Adjustments may include extra time between performances to reduce traffic flow and allow for extra cleaning, indoor venues designed to accommodate social distancing, expanded opportunities for outdoor and/or online shows, and more.

Please note that if the Hamilton Fringe Festival is forced to cancel a full performance run (7 shows) due to public health guidance or regulations in place at the time, affected companies will receive a full refund of their participation fee.

During the festival, all members of participating companies are encouraged to wear a mask at all times at all indoor Fringe venues. Masks are NOT required while performing or rehearsing on stage.

In the event that someone in the company has a confirmed case of COVID-19 after attending or performing at a Hamilton Fringe Festival event they are advised to contact Executive Director Christopher Stanton immediately.

Artists may choose to cancel or replace cast members in order to continue the run of their show. Artists are responsible for communicating these details to the Executive Director and their Venue Captains. Please note that Hamilton Fringe cannot refund companies for performances cancelled by the company for any reason.

All participating companies must fully adhere to all public health regulations and guidelines in place at the time of performance. If any company or venue is found to be operating in contravention of said regulations or guidelines, The Hamilton Fringe Festival reserves the right to immediately cancel all affected performances. The offending company shall forfeit all fees and any outstanding box office proceeds.

Finally

Submission of your online application and application fee means that you have read and have agreed to all of the above. Your company agrees to adhere to the laws of Ontario, and the policies, procedures and safety guidelines as set forth by the Hamilton Fringe Festival. The festival reserves the right to remove any company or cancel any/all performances of a company that does not abide by the policies of the Hamilton Fringe Festival, including the CAFF Member Code of Conduct and the HFTco Safer Spaces Policy. These policies are available online at HFTco.ca.

Please contact us if you have any questions or need clarification of these details BEFORE paying the non-refundable fee and submitting your application. We recommend that you print a copy of this page for your own records. Applications are accepted through online submission and must be accompanied by your non-refundable application fee (\$30.00). Applications received without the application fee will NOT be included in the Hamilton Fringe Festival lottery.

The Hamilton Fringe Festival reserves the right to remove any company from participation in the Fringe should the company members or an individual member engage in illegal activity (including hate speech), harassment, unethical behaviour, or otherwise place the festival itself at risk.
